

THE ERASERS' HEADQUARTERS...

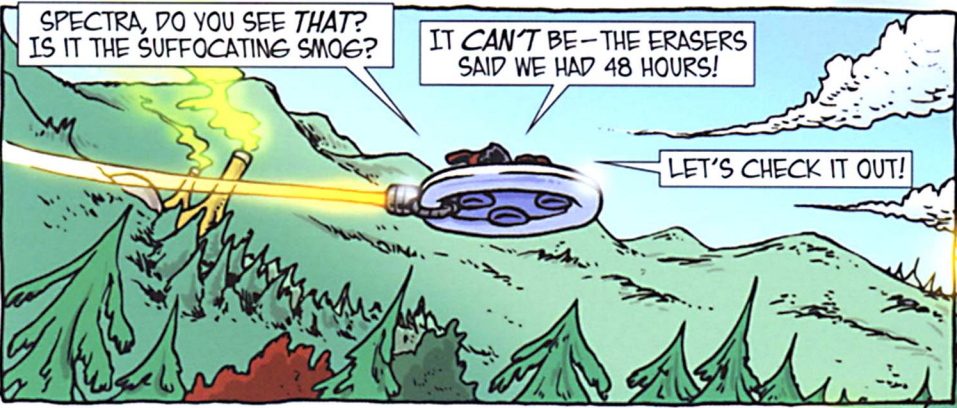

TYRANTA! IT'S LIGHTNING AND LUNA!

WELL, WHAT A PLEASANT SURPRISE! HEH, HEH, HEH!

I'LL GO AFTER THEM!

YOU? YOU LET THEM ESCAPE LAST TIME, DIMWIT!* I'LL DEAL WITH THEM MYSELF!

SPECTRA, DO YOU SEE THAT? IS IT THE SUFFOCATING SMOG?

IT CAN'T BE-- THE ERASERS SAID WE HAD 48 HOURS!

LET'S CHECK IT OUT!

WOOOOOOOSH!

BUT--IF THAT IS THE SMOG, IT MAKES PEOPLE REALLY SICK, AND ERASES HOPE!

WE'RE UPLIFTERS. WE CAN HANDLE IT.

WE SHOULD CALL HEADQUARTERS.

LUNA TO HQ. COME IN, PLEASE.

I CAN'T SEE MUCH THROUGH THIS SMOG.

THERE'S NO ANSWER. COULD THE COMMUNICATION SYSTEM BE DOWN?

I THINK I SEE SOMETHING--

IT'S EVERYWHERE-- WE'VE GOT TO ACT FAST!

I'LL SCOPE THIS OUT-- YOU TWO FLY BACK TO HQ FOR THE MEETING.

NO, WE'LL STICK TOGETHER.

YEAH, THIS COULD BE DANGEROUS!

MEANWHILE, AT THE UPLIFTERS' HEADQUARTERS...

ARRRH!

WHAT'S GOING ON?

WE'RE BEING DRAGGED IN! I CAN'T STEER THE POD!

PULSAR! WAIT UP!

ANY SIGN OF SPECTRA, LIGHTNING, AND LUNA?

NOTHING.

AND THE CODE MESSAGE?

OUR CRYPTOGRAPHERS ARE STILL WORKING ON IT.

BLAST!

ANY LUCK REACHING THEM, ZAPPO?

THE MC'S HAVE MALFUNCTIONED. I TRIED EACH ONE DOZENS OF TIMES.

JE NE COMPRENDS PAS!*

IT'S OKAY, JUST KEEP AT IT. YOU'LL FIGURE IT OUT.

PULSAR, WE'VE GOT TO START THE MEETING. HUNDREDS OF UPLIFTERS ARE WAITING.

BUT WE NEED LUNA TO DECODE THAT MESSAGE!

I'LL TELL THE UPLIFTERS WHAT WE KNOW. BUT SEND OUT A FULL RESCUE TEAM.

I HAVE A BAD FEELING ABOUT THIS.

HEADQUARTERS, COME IN. THIS IS LUNA. WE NEED HELP!

I-I CAN SEE SOMETHING COMING - WHAT ON EARTH?

SOMETHING'S STILL INTERFERING WITH OUR CONTROLS.

Voooooooooosh!

OH NO! IT'S TYRANTA TOXIC!

WILL OUR HEROES EVER ESCAPE?

*FRENCH: I DON'T UNDERSTAND!
