

**IN FURY'S ARCTIC LAIR...**

WELL DONE, NOVA!

LIGHTNING, TAKE A SNOWMOBILE TO FIND LUNA.

QUICK! FURY'S MINIONS ARE COMING!

HE GOT AWAY!

BACK TO THE DUNGEON!

YOUR DUNGEON IS NO MATCH FOR US. JUST TAKE US TO FURY.

WHY DIDN'T YOU ESCAPE WITH SUPERBOY?

I WANT YOU TO STOP THIS MADNESS!

NEVER! I DIDN'T START CLIMATE CHANGE. I'M JUST SPEEDING IT UP.

I'LL BURN CROPS. THEN CITIES. THE UPLIFTERS WILL BE HELPLESS. COUNTRIES WILL SURRENDER TO ME!

YOU'LL HURT INNOCENT PEOPLE!

I'LL STOP IF YOU JOIN ME.

**DEEP IN THE ARCTIC...**

U-PAD NOT WORKING. TOO TIRED TO FLY.

SO COLD. GOT TO KEEP GOING.

WHERE'S LIGHTNING?

HUH?

GASP!

AHHHHH!

LIGHTNING! DO YOU NEED HELP?

WHAT? I CAME TO RESCUE YOU.

WELL, YOU'RE RESCUING ME IN STYLE.

FUNNY, SIS. I WAS REALLY WORRIED ABOUT YOU!

I CAN'T FEEL SOME PARTS OF MY BODY!

HANG IN THERE! LET'S GET BACK TO FURY'S LAIR. SHE HAS PULSAR AND NOVA!

IN FURY'S LAIR...

BEST OF ALL, I'LL FINISH OFF THE UPLIFTERS—

BY BLASTING HQ!

NO, WE'RE MUCH STRONGER THAN YOU THINK.

HOW CAN YOU *STILL* BE ONE OF THEM? IF WE HADN'T BEEN UPLIFTERS, OUR PARENTS WOULD BE ALIVE. WE PUT THEM IN DANGER.

OUR JOB WAS TO USE OUR POWERS TO HELP THE WORLD.

THE UPLIFTERS STOLE MY POWERS!

YOU LOST YOUR POWERS WHEN YOU TRIED USING THEM FOR REVENGE.

LOOK, AURORA, I CARE ABOUT YOU. WOULD MOM AND DAD HAVE WANTED US TO FIGHT?

ENOUGH OF YOUR MIND GAMES. I TOLD YOU, MY NAME IS NOW FURY. AND WITH GREAT FURY, I'LL CONTROL THE WORLD WITH OR WITHOUT YOU!

FIRE ON TARGET TWO!

JUST OUTSIDE FURY'S LAIR...

HOW CAN WE STOP THIS?

FURY USED THE CANNONS ON THE TOWERS TO MELT THE ARCTIC ICE.

AND SHE BURNED A VILLAGE?

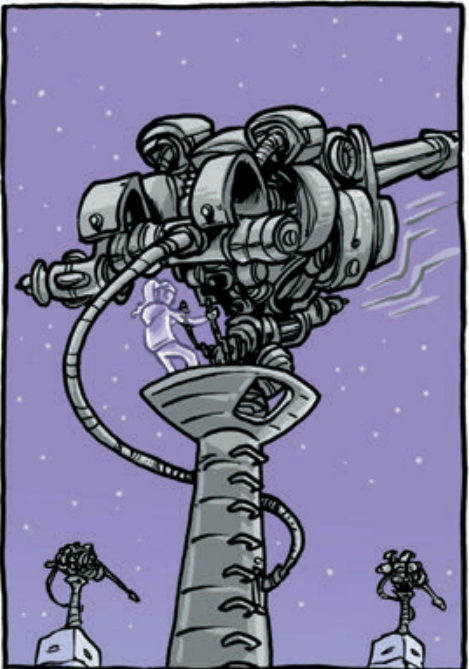

FOR THAT SHE USED A LASER ON A SATELLITE.

WITH THESE WEAPONS, SHE CAN HIT ANY SPOT ON EARTH!

THAT BEAM IS COMING FROM HER SATELLITE! SHE'S SHOOTING NOW!

THOSE TOWER CANNONS MIGHT REACH THE SATELLITE. I'LL TURN INVISIBLE AND SNEAK UP THERE!

HEY—THAT CANNON IS FIRING AT OUR SATELLITE!

FOOLS! IT'S THE GIRL! SHE CAN TURN INVISIBLE.

AIM AT THAT CANNON NOW AND SHOOT HER DOWN!

NO! YOU WILL STOP THIS!

LUNA, LOOK OUT!

WILL LIGHTNING REACH LUNA IN TIME?
