

THIS HQ IS AMAZING!

THERE'S THE HANGAR ENTRANCE.

I WONDER IF THE UPLIFTERS ARE BACK FROM THEIR RESCUE MISSION.

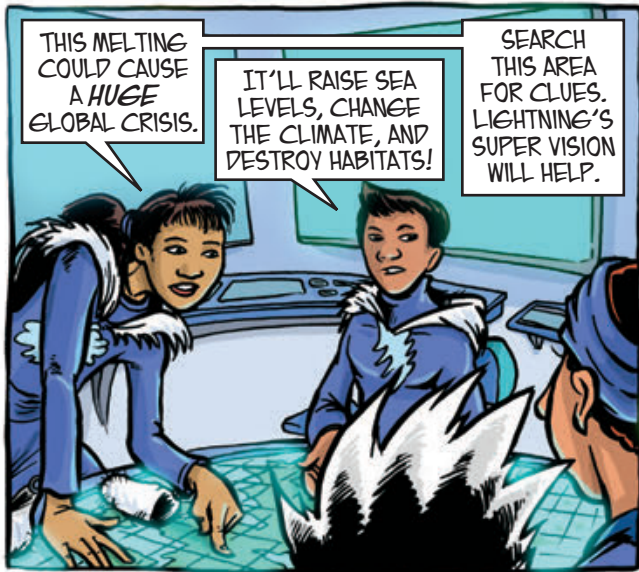

LIGHTNING, LUNA, WELCOME!

WOW, NICE UNIFORMS.

THANKS! WHAT'S THE STATUS OF OUR SITUATION?

ALL THE RESEARCHERS ARE OK. BUT THIS WAS NOT A NATURAL DISASTER.

IT WAS A BEAM OF SOME KIND. MUST BE AN ERASER—BUT WE DON'T KNOW WHICH ONE.

THIS MELTING COULD CAUSE A HUGE GLOBAL CRISIS.

IT'LL RAISE SEA LEVELS, CHANGE THE CLIMATE, AND DESTROY HABITATS!

SEARCH THIS AREA FOR CLUES. LIGHTNING'S SUPER VISION WILL HELP.

WHY WOULD SOMEONE WANT TO DESTROY SUCH BEAUTY? AND ENDANGER THE PLANET!

I GUESS THEY'RE CALLED ERASERS FOR A REASON.

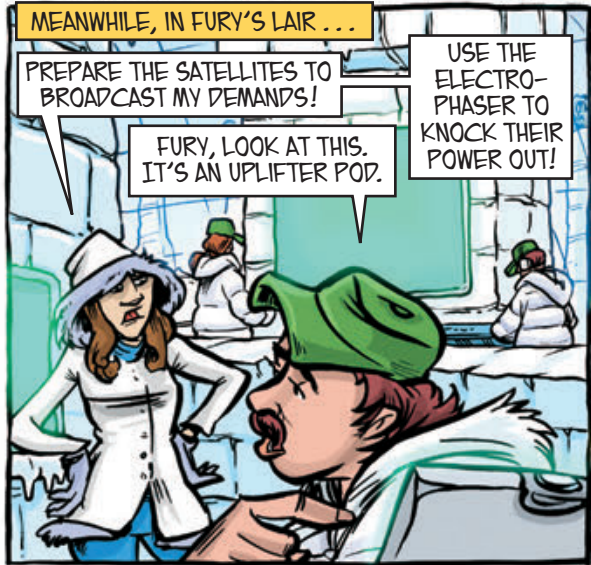

WAIT! I SEE... A SHIMMERING... CASTLE.

OH, REALLY, PRINCE CHARMING?

QUICK! SNEAK US UP BEHIND THOSE CLIFFS.

OK, OK!

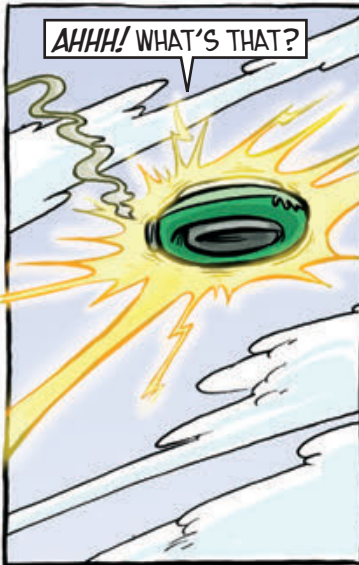

I'LL REPORT TO HQ ON MY U-PAD.

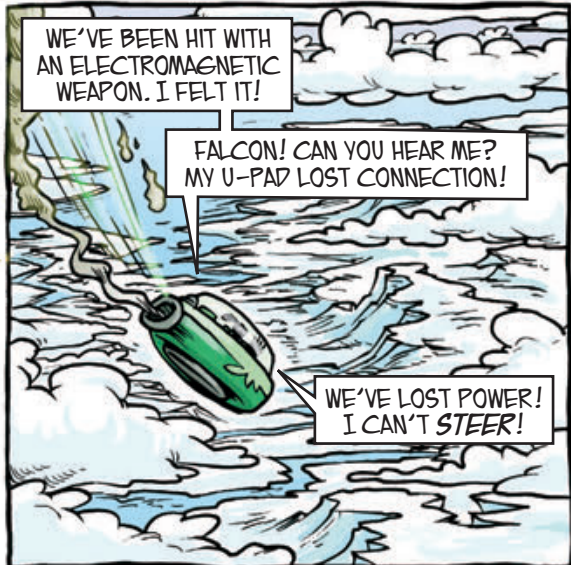

PREPARE THE SATELLITES TO BROADCAST MY DEMANDS!

FURY, LOOK AT THIS. IT'S AN UPLIFTER POD.

USE THE ELECTRO-PHASER TO KNOCK THEIR POWER OUT!

AHHH! WHAT'S THAT?

WE'VE BEEN HIT WITH AN ELECTROMAGNETIC WEAPON. I FELT IT!

FALCON! CAN YOU HEAR ME? MY U-PAD LOST CONNECTION!

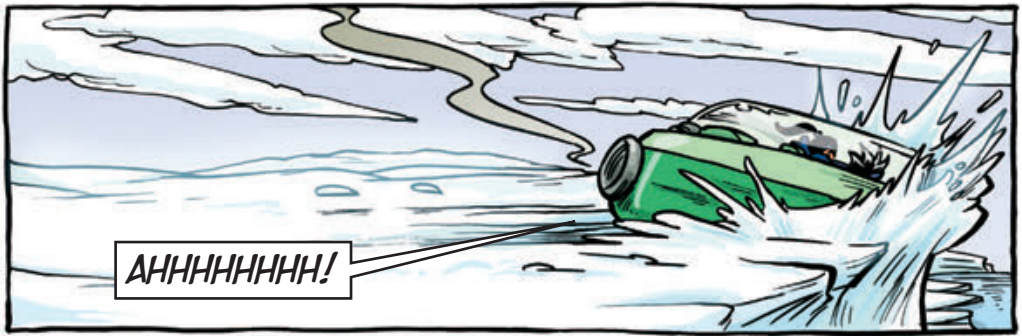

WE'VE LOST POWER! I CAN'T STEER!

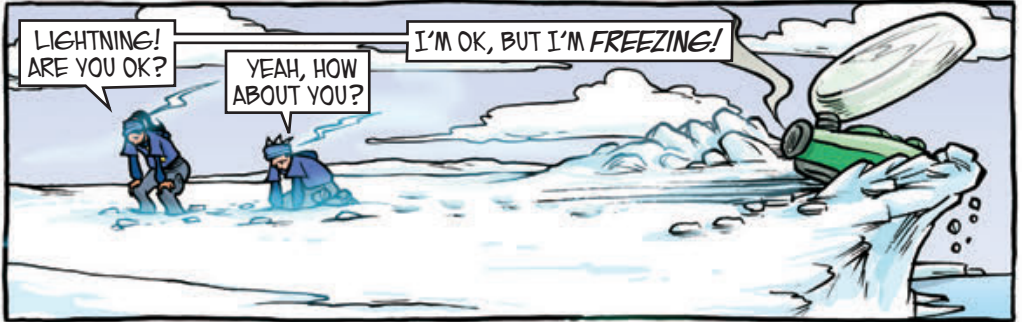

WE HAVE TO LAND ON THE ICE!  
WE'D FREEZE IN THE OCEAN!

THE LANDING GEAR IS STUCK! GRRR!

HELP PULL IT!

AHHHHHHHH!

LIGHTNING!  
ARE YOU OK?

YEAH, HOW  
ABOUT YOU?

I'M OK, BUT I'M FREEZING!

QUICK! GET OUR  
SUITS INTO COLD  
MODE. THE THERMAL  
SYSTEM STILL WORKS.

IT'S GOING TO  
GET DARK SOON.  
WE SHOULD FIND  
SHELTER.

IT'S TOO FAR TO FLY BACK.  
AND WITHOUT THE POD OR  
U-PADS, WE DON'T KNOW  
WHERE WE ARE.

Click  
Necess!

LOOK, AN ICE CASTLE! SO YOU  
WERE RIGHT, PRINCE CHARMING!

FUNNY, SIS.

THE BEAM THAT  
HIT US CAME  
FROM THERE.

LET'S GET CLOSER AND  
CHECK IT OUT. WE'LL  
NEED TO STAY LOW.

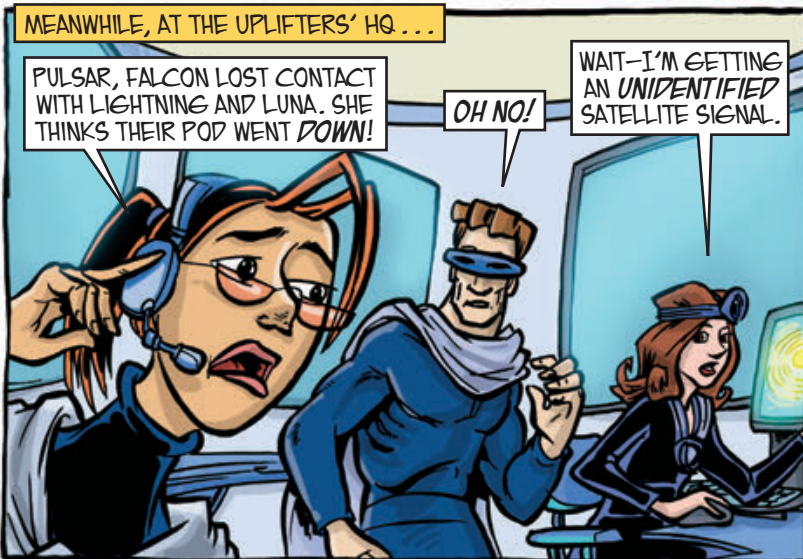

BACK IN FURY'S LAIR...

GET THEIR POD. WE  
CAN HACK THEIR  
COMMUNICATION.

AND THE  
UPLIFTERS?

IF THEY SURVIVED,  
CAPTURE THEM!

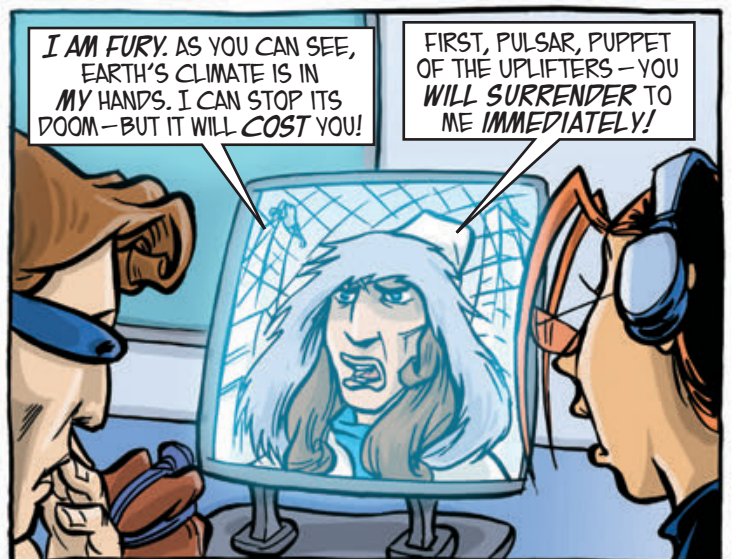

MEANWHILE, AT THE UPLIFTERS' HQ...

PULSAR, FALCON LOST CONTACT  
WITH LIGHTNING AND LUNA. SHE  
THINKS THEIR POD WENT DOWN!

OH NO!

WAIT—I'M GETTING  
AN UNIDENTIFIED  
SATELLITE SIGNAL.

I AM FURY. AS YOU CAN SEE,  
EARTH'S CLIMATE IS IN  
MY HANDS. I CAN STOP ITS  
DOOM—BUT IT WILL COST YOU!

FIRST, PULSAR, PUPPET  
OF THE UPLIFTERS—YOU  
WILL SURRENDER TO  
ME IMMEDIATELY!

WHAT DOES FURY HAVE AGAINST PULSAR?
