

Giving Around the Globe

For 2-6 players

Game time! Get your family together to learn where on Earth everyone would like to go. What kind of service would they like to do?

All around the world, people contribute their time and talents to helping our global family. Some spend a few months or a year as a volunteer. Others build a career of

service to those in need—in another country or close to home. Everywhere you go, there are lots of ways you can help out.

In this game, tour the world and lend a hand with service projects near and far—from planting trees to working at a medical clinic. Play the game with your friends or family, and explore a world of service.

YOU'LL NEED: Two 6-sided dice; movers (toy figures, coins, or pebbles); paper and pencil for each player

TO PLAY: Decide who goes first. On your turn, roll both dice and move forward or backward. You may use the same path more than once. See the extra actions to take at the **Rest Area** spots in the key at right. On a **Travel Talk** spot, answer and then roll again. Write down each **Service Project** spot you visit. Go to five different projects, then be the first to get back to start with an exact roll of the dice.

Rest Area Spots

When you land here, roll again and complete the action in the key that matches your new dice roll.
