

Heart to Heart

"Man can receive no greater gift than this, that he rejoice another's heart. I beg of God that ye will be bringers of joy . . ." —'Abdu'l-Bahá

When your heart is filled with happiness, how does it feel? Warm and peaceful? Bouncy and alive?

Love can make your heart dance for joy. Have you ever felt that way? Connecting with God and with other people—family, friends, or neighbors—is a big part of being happy.

How do you touch the hearts of others? Maybe you like to sing, share your artwork, tell jokes, or give homemade gifts. You might be great at encouraging friends to use their talents or cheering them up when they're down. Even simple acts of kindness can have a big impact. Think of fun ways to bring joy to other people—you'll feel your heart do its own happy dance, too.
