Mystic Journey

Imagine you're on a thrilling quest through wondrous, mystical worlds. As you steer your ship across the cosmos, you gain strength and wisdom, leading you closer to your destination.

Each of us really *is* on an amazing journey—a spiritual quest. As we travel through life, we face challenges that help us develop our spiritual qualities—such as honesty and compassion. The virtues we strengthen help us grow closer to God.

Bahá'ís believe humanity is on a journey, too. Together, we're exploring how to create unity on Earth. We have to overcome obstacles, such as prejudice and negativity. Bahá'u'lláh's teachings of justice and equality can guide us to peace.

These spiritual explorations are never-ending. Even after we leave this world, our souls continue to grow closer to God. And the good we do on Earth lasts beyond our lifetimes, too. Where will *your* journey take you?

Board the Mystic Explorer and go to the Pathway to Peace.
