

OH, NO! WE CAN'T LET THEM SEE YOU!

WHOA, I DIDN'T KNOW YOU COULD DO THAT!

ME NEITHER! BUT I'M NOT SURE HOW LONG I CAN SHARE MY POWER!

UGH, THIS IS HARD TO DO. IT TAKES... SO MUCH ENERGY!

THAT WAY! I SEE AN EXIT!

A WINDOW! COULD BE A CONTROL ROOM.

LET'S CHECK IT OUT! BE CAREFUL—THE WIND'S FIERCE!

STAY OUT OF SIGHT, LIGHTNING!

LOOKS LIKE THE NEXT STORM IS ALMOST READY! AND IT'S STRONGER!

I SAW A CONTROL PANEL AT THE TOP OF THE VOLCANO. LET'S GO!

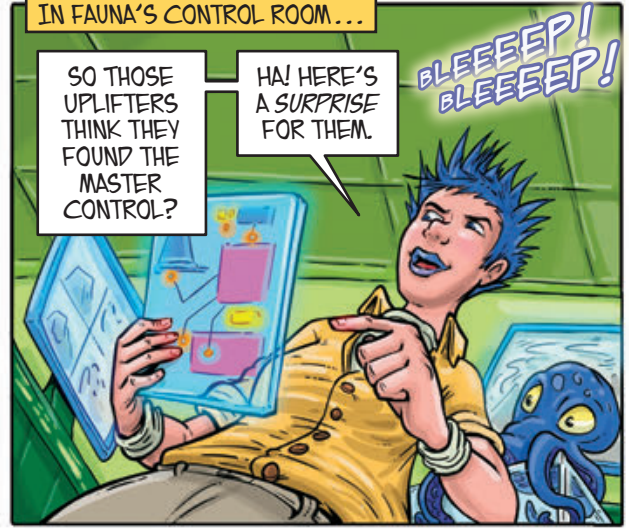

ZZZZZZZZZT!

THERE'S A GIANT FAN IN THERE!

ERRRRRRRRRR!

THE FAN'S SLOWING DOWN! YOU DID IT!

IN FAUNA'S CONTROL ROOM ...

SO THOSE UPLIFTERS THINK THEY FOUND THE MASTER CONTROL?

HA! HERE'S A SURPRISE FOR THEM.

BLEEEEEP! BLEEEEEP!

THE SYSTEM IS STILL RUNNING! FAUNA MUST CONTROL THIS SOME OTHER WAY!

CAN YOU ZAP THAT MOTOR?

MAYBE, BUT I HAVE TO GET CLOSER TO IT.

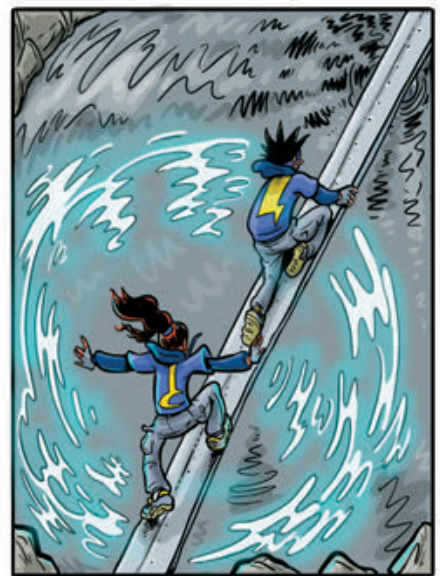

WE COULD GET PULLED INTO THAT FAN.

WE HAVE TO TRY!

I'LL USE MY WAVE POWER TO KEEP THE WIND AWAY FROM US.

GREAT IDEA, SIS!

FAUNA! THOSE TWO UPLIFTERS...

I'LL JUST TURN THE FAN TO FULL BLAST!

COME ON, WAVE POWER...

WHIRRRRRRR!

LUNA, FLY!

THE WIND'S TOO STRONG! I'M WEAK FROM SHARING MY INVISIBILITY!
