

BAXTER AND BRIDGET

# LIGHTNING & LUNA

COMBINED FORCES

#96

NEAR THE HIDDEN LAB IN IDAHO ...

YOU LOST THE CUBEMAKER!  
WE NEED THOSE CUBES TO  
SHUT DOWN THE POWER GRIDS.

FIND HIS LAB!

SO NOW WE'RE LOOKING  
FOR A SECRET ENTRANCE  
TO AN INVISIBLE PLACE?

THAT'S WHAT THE  
COMMANDER  
WANTS, SO DO IT!

IN A REMOTE PART OF THE LAB ...

ANOTHER CUBE FOR  
MY COLLECTION.

SOON I'LL BE TOO  
POWERFUL FOR DR.  
VOLE OR AVARICE  
AND THE COMMANDER  
TO STOP ME!

MIN, DO YOU HAVE THAT  
CUBE TEST VIDEO?

THE TEST  
WORKED TOO  
WELL, BUT I CAN  
FIX THAT WITH  
A FEW QUICK  
CHANGES TO  
THE VIDEO.

OVER CALIFORNIA ...

CHECK THIS OUT, LIGHTNING.  
WE COULD HAVE USED THIS  
"OCEAN MODE" WITH FAUNA.\*

FOR SURE! POD,  
TAKE US TO IDAHO.

LET'S  
FIND THAT  
SECRET  
LAIR!

HANG ON, THIS  
MIGHT HELP!

LUNAAAAA!!!

VROOOOOMMM!

AT UPLIFTERS' HQ ...

WE SUSPECT AN  
ERASER ATTACK SOON.  
HOW ARE YOU DOING?

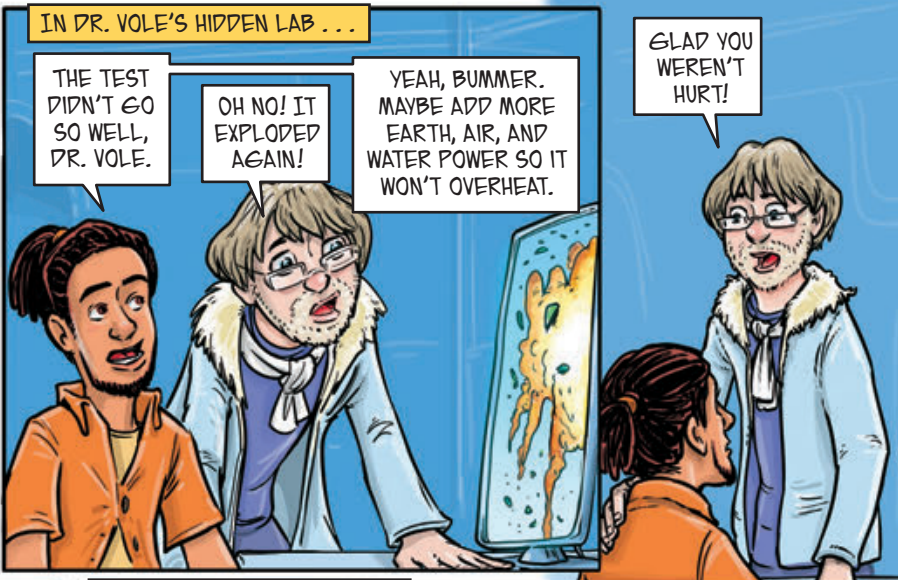

THESE ISOLATOR BUBBLES  
SHOULD BLOCK THE CUBES  
SO THEY CAN'T GET ENERGY  
FROM WATER, AIR, AND SUN.

THEY'RE NOT QUITE READY YET.

YOU'LL GET IT. KEEP IT UP!

I HOPE OUR NEXT MISSION ISN'T QUITE SO STICKY.

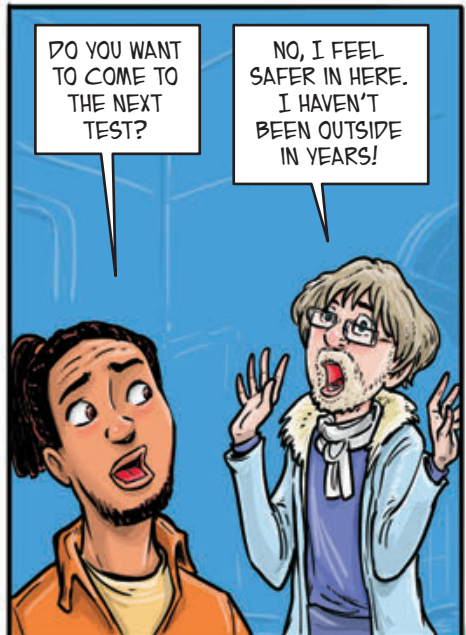

IN DR. VOLE'S HIDDEN LAB . . .

THE TEST DIDN'T GO SO WELL, DR. VOLE.

OH NO! IT EXPLODED AGAIN!

YEAH, BUMMER. MAYBE ADD MORE EARTH, AIR, AND WATER POWER SO IT WON'T OVERHEAT.

GLAD YOU WEREN'T HURT!

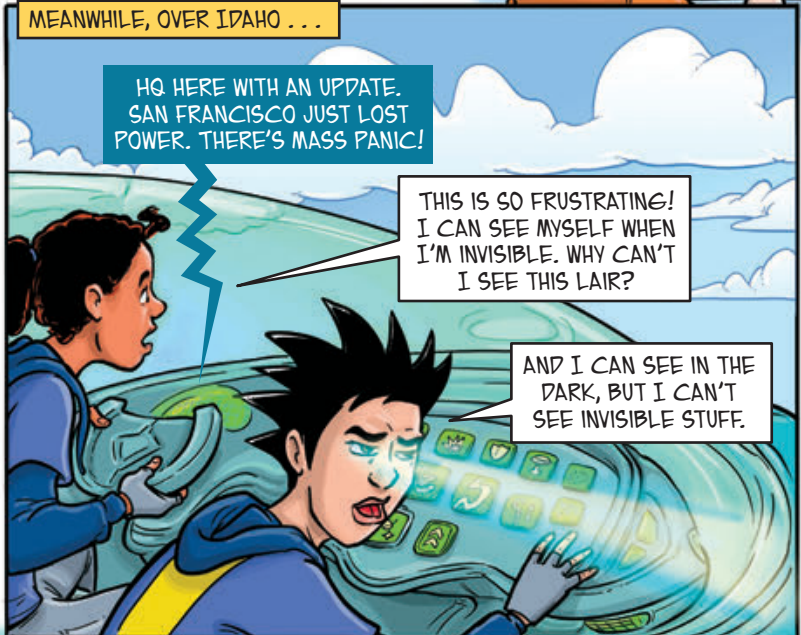

DO YOU WANT TO COME TO THE NEXT TEST?

NO, I FEEL SAFER IN HERE. I HAVEN'T BEEN OUTSIDE IN YEARS!

DON'T WORRY. I CAN HANDLE CUBE TESTING IN THE FIELD.

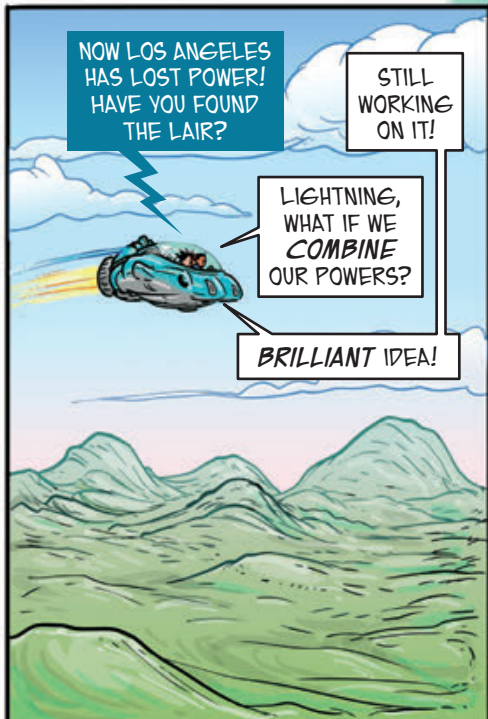

MEANWHILE, OVER IDAHO . . .

HQ HERE WITH AN UPDATE. SAN FRANCISCO JUST LOST POWER. THERE'S MASS PANIC!

THIS IS SO FRUSTRATING! I CAN SEE MYSELF WHEN I'M INVISIBLE. WHY CAN'T I SEE THIS LAIR?

AND I CAN SEE IN THE DARK, BUT I CAN'T SEE INVISIBLE STUFF.

NOW LOS ANGELES HAS LOST POWER! HAVE YOU FOUND THE LAIR?

STILL WORKING ON IT!

LIGHTNING, WHAT IF WE COMBINE OUR POWERS?

BRILLIANT IDEA!

IT WORKED! THAT WAY!

WOW! I LOVE IT WHEN WE FIND NEW WAYS TO USE OUR POWERS!
