

BAXTER AND BRIDGET

# LIGHTNING & LUNA

UNFOLDING MYSTERIES

#101

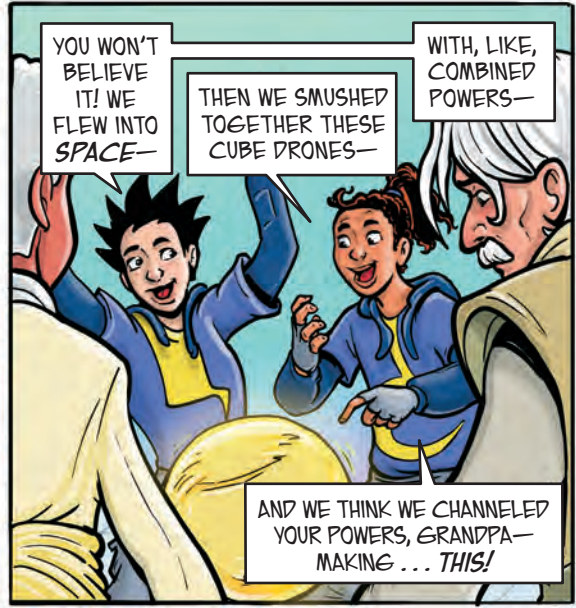

AT THE UPLIFTERS' HQ RESEARCH LAB ...

GRANDMA!  
GRANDPA!

WHAT IN  
THE—

WHOA! IT  
SEEMS TO  
HAVE A MIND  
OF ITS OWN!

YOU WON'T  
BELIEVE  
IT! WE  
FLEW INTO  
SPACE—

THEN WE SMUSHED  
TOGETHER THESE  
CUBE DRONES—

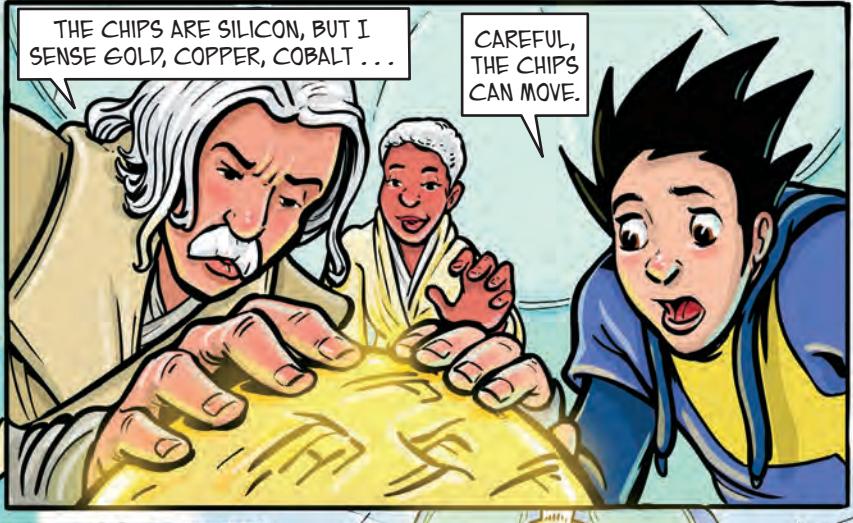

WITH, LIKE,  
COMBINED  
POWERS—

AND WE THINK WE CHANNLED  
YOUR POWERS, GRANDPA—  
MAKING ... THIS!

THAT IS  
INCREDIBLE.

DO YOU  
GUYS KNOW  
WHAT IT IS?

THE CHIPS ARE SILICON, BUT I  
SENSE GOLD, COPPER, COBALT ...

CAREFUL,  
THE CHIPS  
CAN MOVE.

WHAT DO  
YOU MEAN—

OH!

IS EVERYONE OK?

JUST SURPRISED!

GREETINGS, ADMIRAL CHROMA AND CHRONOS—OH!

YOU OPENED THE ORB!

YOUR HONORS, I'VE HEARD SO MUCH ABOUT YOU, THANK YOU FOR COMING.

DO YOU RECOGNIZE THIS?

NO! THAT'S THE BEST PART OF LEARNING.

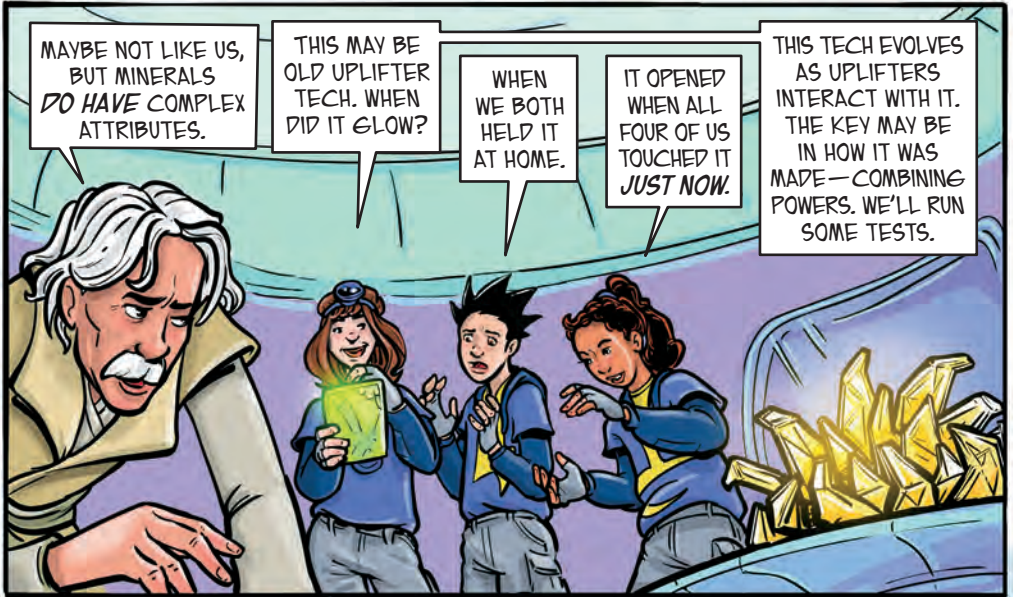

IT'S BEAUTIFUL! I CAN'T WAIT TO SEE WHAT WE FIND OUT!

ZAPPO, WHY DID YOU PUT THE ORB IN OUR POD? WHY NOT TAKE IT STRAIGHT HERE?

WHAT? BUT I DIDN'T.

IT FOLLOWED US? IS IT... ALIVE?

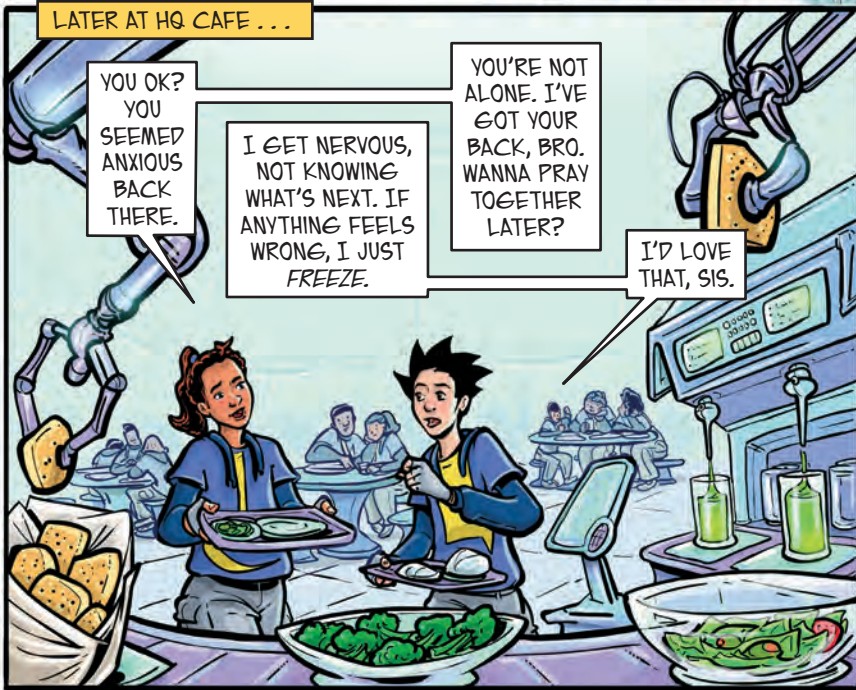

MAYBE NOT LIKE US, BUT MINERALS DO HAVE COMPLEX ATTRIBUTES.

THIS MAY BE OLD UPLIFTER TECH. WHEN DID IT GLOW?

WHEN WE BOTH HELD IT AT HOME.

IT OPENED WHEN ALL FOUR OF US TOUCHED IT JUST NOW.

THIS TECH EVOLVES AS UPLIFTERS INTERACT WITH IT. THE KEY MAY BE IN HOW IT WAS MADE—COMBINING POWERS. WE'LL RUN SOME TESTS.

LATER AT HQ CAFE ...

YOU OK? YOU SEEMED ANXIOUS BACK THERE.

I GET NERVOUS, NOT KNOWING WHAT'S NEXT. IF ANYTHING FEELS WRONG, I JUST FREEZE.

YOU'RE NOT ALONE. I'VE GOT YOUR BACK, BRO. WANNA PRAY TOGETHER LATER?

I'D LOVE THAT, SIS.

IN A NEW YORK PENTHOUSE ...

ALL THOSE PEOPLE ...

THE WORLD IS SO CROWDED, AND YET PEOPLE CAN FEEL ALL ALONE.

AND THAT'S WHAT I'M COUNTING ON.
